vs.

Long Beach, CA

Defendant.

**AFFIDAVIT IN SUPPORT
OF ARREST WARRANT**

CR 118-2634

Detective Curtis Daughters, being first duly sworn on oath, deposes and states that he is a Detective of the Sioux Falls Police Department and states that he is one of the officers in charge of the investigation of the above-styled matter. That your Affiant makes this Affidavit in support of the State's Attorney's request for a warrant for the arrest of the above-named Defendant(s), and in compliance with SDCL 23A-2-2, and states as follows:

1. On 1/18/2018 Officer Meath #910 of the Sioux Falls Police Department was dispatched to the Aerostay Hotel, 2821 N. Jaycee Ln., in reference to a fraud report. Upon arrival he was met by employee Katie Hoekstra.
2. Hoekstra advised that two males had stayed at the hotel the night of 1/17/2018 in two separate rooms. On 1/18/2018 at approximately 1110 hours they had come to the front desk to request an additional night's stay.
3. Hoekstra asked the male that had made the request for his identification card and his credit card. The male provided a California identification card [REDACTED] that identified him as Ho Van Son of Long Beach, CA. The male also handed over a reloadable Green Dot Visa card ending in 3944 which was the same card that he used to purchase the prior nights rooms. Hoekstra attempted to swipe the card with no success. Hoekstra manually entered the credit card information and by doing so the charge went through.

4. Within a short period of time the hotel received a phone call from an Elizabeth Stott who was inquiring about the charges that had been made with the above mentioned credit card. Stott advised that the credit card that the male was using had to have been cloned as the actual card was still in her possession. Hoekstra asked the male for the card back in order to swipe it once again. That was when both males walked out of the hotel.

5. Officer Meath made landline contact with Stott to learn that the credit card was associated with the business account for Addicted Performance Diesel located at [REDACTED] in Rock Springs, WY. The credit card was affiliated with Trona Valley Credit Union. Stott had no explanation of where the credit card could have been cloned.

6. On 1/30/2018 your Affiant made landline contact with Hoekstra. Hoekstra advised that she was certain that the male who provided the credit card on each occasion was the same male in the picture that was on his identification card. Hoekstra was able to provide a copy of the above mentioned Green Dot Visa credit card and the suspect's identification card.

7. With the help of Trona Valley Credit Union your Affiant was able to obtain a statement showing that there were three separate charges to the Aerostay Hotel. The charges are described as follows:

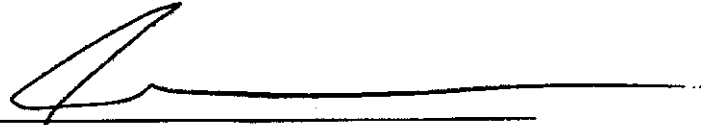

A charge for \$127.40 on 1/17/2018.

A charge for \$116.40 on 1/7/2018

A charge for \$41.97 on 1/18/2018.

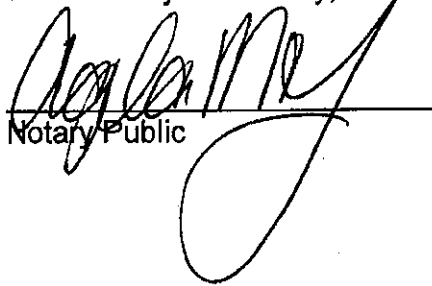

8. Based on the above mentioned facts your Affiant believes probable cause exists to support this affidavit for arrest.

9. This incident occurred in the City of Sioux Falls, Minnehaha County, State of South Dakota.
